Closure of Small Pools

During Joey and Cub Events District Leaders and assigned parent helpers will provide supervision at the small pools. Pool staff will be directed to close the small pools that are not in use immediately after the joey and cub activities finish. There will be no supervision for younger children when the Joeys / Cubs carnival finishes and parents are directed to make arrangements to either supervise the younger ones themselves or take them home and return to collect the Scouts at the end of the night. It is considered too dangerous for younger siblings to be running around the pool area unsupervised by their parents.
